August 13, 2018

Dear _____,

The Timber Village Museum is once again hosting a Lumberjack themed fundraiser. This year, we are planning towards a **Lumberjack Luncheon** to be held on **Saturday, October 6, 2018** from **11am - 2pm** at the **Blind River Community Centre**. The funds raised from this event will go towards enhancing future events, exhibits, and programs at the Timber Village Museum.

We are inviting caterers to bid on the purchase, preparation and serving of this meal for approximately 150 - 200 people (including children). We recommend that the meal be buffet style with water, juice, coffee, and tea made available to guests. This event will also be licenced.

The proposed menu is attached for your consideration. This menu reflects the type of food that would have been served in local lumber camps in the 1940s. We would like to try to keep the menu as authentic as possible but we are open to suggestions. If you are interested in learning more about the type of foods that were served in lumber camps, please contact us for more information/resources.

Please return your **itemized quote per plate, plus any extra costs, along with your Catering License** number to the address noted below, **no later than 4:00pm on Friday, September 7, 2018**. Bid sheets and specifications are available at the Municipal Office.
